Learn Play Grow KS1 3:15-4:15
20/04/2018-13/07/2018

Dear Parents / carers

UPDATE ON GDPR

May 2018

The GDPR, which will come into force on 25th May 2018 as the Data Protection Act 2018, is a step change in data protection and privacy law in the UK. It's not just about information technology, but all data we hold as an organization.

It is in place to give data subjects control of their data and gives organisations processing that data (including schools) more responsibilities in relation to how they collect, process, store, share and destroy data.

As a school we collect and hold a great deal of personal data - not only about students, but also staff, parents, volunteers, visitors, suppliers and other 'data subjects'. GDPR requires us to not only minimise any risks to the unauthorised access and loss of personal data within the organisation, but also to provide evidence and documentation of our processing activity.

In order to demonstrate our commitment to GDPR compliance we are doing the following:

- Documenting our processing activity, including ensuring we have a lawful basis for processing
- Auditing this processing and identifying and creating an action plan to mitigate any risks to personal data
- Documenting the compliance of third-party providers and reviewing contracts to ensure compliance with GDPR
- Ensuring that we have processes and procedures in place to ensure the rights of data subjects
- Reviewing the technical and organisational measures in place to protect data
- Training staff on GDPR and our data handling procedures - we hope Governor's will also undertake this training

We have also appointed an external organisation, Data Protection Education Ltd. as our Data Protection Officer.

As a school we collect and process large amounts of data. We take our responsibility as custodians of this data very seriously and embrace the opportunities GDPR provides to make improvements in how we handle data.

GDPR is a long-term project and we are committed to developing a privacy programme that becomes a cornerstone of our approach to data in the school.

Whilst there will be changes, we are committed to ensuring that there is no negative impact on teaching and learning and the welfare of students and staff.

For more information contact one of our school offices:

Morley - office@morley.norfolk.sch.uk

Tacolneston - office@tacolneston.norfolk.sch.uk

The Data Protection Officer can be contacted at dpo@dataprotection.education

Information evening for KS2 parents

We are holding an information evening for KS2 parents/carers to cover maths mastery, preparing for KS2 SATs and ways in which parents can support children's reading. This information session is on Thursday 14th June at 7pm. We hope you can attend.

Warm clothing!

I know it is officially Summer but the weather doesn't always reflect this. During the week, children have been in school without coats, jumpers, cardigans etc. and there have been some very chilly days. Please ensure your child has enough layers to cover different weather conditions.

Willow Class Learning Café

The Learning Café on Thursday 24th May at 9am may involve running / jogging or walking a kilometre. Any parents wishing to join in, please bring trainers, otherwise please feel free to watch and time!

Sewing afternoon in Sycamore

If any parents are available to come and help sew with the children, we would love to welcome you at 1.30pm on Wednesday 23rd May. (This sewing afternoon has been rescheduled from Tuesday 22nd May) Thank you.

Reminders

New website coming!

We are in the process of developing our new website. We hope it may be up and running in the next week or so - watch this space!

Walk to School Week 21st to 25th May:

We are fast approaching the national Walk to School Week and we thought it might be a good idea to take part in this initiative. We would like to encourage our local children to walk, cycle or scoot to school. Those of you who rely on cars to travel to school - perhaps you could park a bit further away during that week to give your child the opportunity to walk a short distance so that they can take part too. We are not giving prizes or rewards for this as we know that it is difficult for those of you rushing off to your work places to take part. However, we will be talking about the health and fitness benefits of walking during the week and celebrating those who have made an extra effort to walk either to school or to another location with their families and friends outside of school time.

Royal Norfolk Show - June 28th 2018

We are planning to take all the children in KS2 (Sycamore, Rowan and Willow Classes) to the Norfolk Show on Thursday 28th June. More details to follow but we wanted to make you aware in plenty of time.

Fundraising news

One of our mums, Nicola Burman, is organizing various fundraising events during this year to raise money for the Guide Dogs for the Blind charity. Nicola's daughter is in Pine Class and will need a Guide Dog when she is older. Their recent event was a Bounceathon which raised a fantastic £2000! The next big event will be a Quiz'n'Chips night. The quiz night will be on 28th July at Hethersett Village Hall, doors open at 7.30pm, quiz to start at 8pm. Teams of up to 8 people, £15 per head includes fish/sausage chips(vegetarian option available). People to bring their own drinks. There will be prizes for the winning team and best team name. For more information, please find Nicola on the playground or contact her through the school.

FOMPS News

School Grounds Tidy up - can you help?

Volunteers needed to help with a general tidy-up of the school grounds during the morning of 19/05/18. Please see attached poster for details
