Mad Science KS1 & 2 3.20 – 4.20 26/09/18 –
17/10/18

Dear Parents / carers

Slanted Dance Showcase

On Friday 5th October, the children who have been taking part in the dance sessions as part of our creative curriculum on Friday afternoons will be performing a short piece to showcase what they have been learning. Parents are very welcome to come and watch the children's performance. It will be at approx. 2.45pm in the school hall and will be followed by KS2 story time.

SAVE THE DAY! Wear it Pink and Macmillan Coffee afternoon

On Friday 12th October, there will be a charity day in school, raising funds for two cancer charities; Macmillan that provide specialist nurses trained in palliative care and do a fantastic job caring for cancer patients and their families and Wear It Pink that raises funds for Breast Cancer Now.

I am sure that cancer has affected every family in this school in one way or another so we wanted to come together with the FOMPS to raise money for these charities. We will have a dress down day and invite everyone to wear pink in exchange for a donation. We would usually suggest a donation of £1 for a Dress Down Day but you may wish to give more as it is for such good causes.

The FOMPS will be hosting afternoon tea in the Hall – further details to come.

Books for Schools

The EDP newspaper launches its Books for Schools campaign from Monday 1st October with tokens printed in the paper to collect. Schools will receive £100 of books for every 1000 tokens collected so please ask friends and family to look out for the tokens and collect them on our behalf. The tokens will be available until 8th December.

Gressenhall Trip

Unfortunately we have had to cancel the KS2 trip to Gressenhall on October 31st. This is because we have been unable to get transport that is both affordable and fits in with the session times at the museum.

Head Lice

We have several cases of head lice in school. We ask that parents check their children for these pesky little critters and treat over the weekend if necessary.

Lego cards

Whilst we understand how much children love all things Lego (as do many of the staff here!) please can we ask that your child keeps their Lego cards at home. It has caused some unnecessary upset in the playground so we would be grateful if the children can stick to playing 'Swapsies' out of school

Parent Consultations

These will take place on Thursday 11th October. Your child will bring home an appointment request from today. Please complete it and return it to the school office after the weekend.

Reminders

Change to Friday Newsletter

We would like to announce a change in the way we will be sending out the Friday newsletter to parents and carers.

Until half term we will continue to send the weekly newsletter out by email as we have done previously and also post the newsletter on the website.

After half term we will only be posting the Friday newsletter on the website. We will no longer be sending a weekly email.

We intend to make the website the 'go to' place for all information regarding your child's time at school. We are introducing this with the newsletter and intend, at a later time, to include diary dates, announcements, letters home, class activities etc. Please have a look at our new website. We would welcome any comments and should you find any problems please let the office know so we can pass them to Mrs Gowing, who is maintaining the site.

Writing Instruments Recycling Programme

The school has signed up with TerraCycle who collect waste writing implements and recycle them into a diverse range of products including watering cans, rubbish bins and plastic outdoor furniture. There is a box in the school reception area for any donations.

Items we can accept are biro's, felt tips, highlighters, marker pens, correction ink pots / tape dispensers, fountain pens and ink cartridges. We are unable to accept glue sticks, erasers, rulers, pencils or sharp objects.

Please don't ever throw away another pen - give it to us and save it from landfill!

100 club

The 100 Club annual payment is now due. Each number costs £5 per academic year. Anyone who had a number last year will automatically be included in this year's 100 Club list unless we hear otherwise so please send in your payment as soon as possible. If any new parent would like to buy a number and be in with the chance of a cash prize each term, please ask at the school office.

Out of school achievements

Well done Fergus on receiving a swimming certificate for your 10m swim.
Congratulations to Flossie in Willow for achieving her 700m swimming award.
