Dear Parents / carers

Online Games

Some of the children in our school are talking about how they play Fortnite at home. I would like to remind all of our parents that this game has an age-rating of 12 plus. It is not suitable for younger children due to the continuously violent nature of the game (mild though that may be considered to be). There is also a contact element to the game, where players may be exposed to swearing and offensive language from strangers in voice or on-screen text chat.

I would urge parents to pay careful attention to the way in which your children use the internet and ensure that you have parent controls in place.

I hope to run an online safety awareness evening for parents in the near future, so please watch this space.

Class Photographs

Some time ago, we sent out a survey to ask parents which style class photo they preferred; Traditional or relaxed. We had 49 responses, 25 preferred relaxed and 24 preferred traditional. As the vote is even closer than Brexit (!) we have decided the fairest solution is to alternate each year. Last year we chose the relaxed style so this year we shall be opting for the traditional class group photo.

Nut-free school

Please may I remind parents that we are a nut-free school and although nuts can be a healthy snack, we are aware of the serious implications arising from a nut allergy.

All the food produced in the kitchen is free of nut products so please can we ask you to be mindful if providing your child with a packed lunch. Thank you.
