Dear Families

Operation Encompass

I am writing to inform you that our Federation takes part in a jointly run operation between Norfolk County Council, Norfolk Police and our schools, it is called Operation Encompass. Encompass has been set-up to help schools to provide support to children who have been present at incidents of domestic abuse & violence. We know that children can be significantly physically or emotionally harmed when they are involved in, present or witness to domestic violence.

The school will receive a confidential phone call from Norfolk Children's Advice and Duty Service before 9am or as soon as possible thereafter on the morning after any domestic incident which Norfolk Police have recorded where a child at their school has been involved in, present or witness to domestic violence.

The Federation has designated Kate Easter, Jo Diaper and myself as Key Adults. Our Key Adults have received training from Norfolk County Council to allow them to use the information that has been shared to make sure that the right support is available for children and their families who have been involved in or witnessed a domestic violence incident.

We are keen to offer the best support possible to our pupils and we believe this partnership is extremely beneficial for all those involved. If you have any concerns or questions, then please contact one of the above Key Adults or myself and we will be happy to discuss this further. Further information about the project can be found on our school's website and is available from the school office on request.

Year 6 SATs

Next week is the KS2 SATs week. This is nothing to get stressed about but can be a tiring week for the children in Year 6. It may seem obvious, but please ensure

that children get a lot of sleep this week and a good breakfast. We will provide biscuits!

Can we take this opportunity to thank parents for supporting children with their revision and reading out of school time. It really makes a difference.

Have a restful weekend and good luck to everyone next week.

Sponsored woodland walk

Your child will have brought home a sponsor form this week. Our School Council is raising money for their chosen charity (Jenny Lind children's hospital) and our annual subscription to Action Aid to support Fatu, the Gambian schoolchild who we sponsor. We hope that families and friends will support these worthy causes. Thank you.

Parenting in a digital age

I have arranged for Jill Duman of Educator Solutions to run an E-Safety Session for Parents. The session covers four key messages:

- Educate - yourselves and your family
- Protect - enable a safe environment where possible
- Monitor - listen, talk, share
- Support - if things do go wrong, where do you go for help?

The session will be held on Monday 20th May from 5pm to 6pm.

This is such an important issue - I would urge as many parents as possible to attend. We are sending home a hard copy letter with a tear off strip. Please return the slip to let us know if you are able to attend.

On-Line payment system

We have now added the option of paying for Learn, Play, Grow for any KS1 child wishing to take part on the SchoolMoney site.

Thank you to those who are now starting to pay for lunches regularly with this system.

Please can I remind parents to check their child's back for any dinner arrears letter and to settle up any amounts due as soon as possible please. It would be preferable if payments could be made on-line but we are also happy to receive payment direct to the school office.

REMINDERS

Open Garden afternoon

Not sure what to do for Father's Day this year? Well we have that covered! Our Chair of Governors, Robert Culyer is opening up his gardens at The Old Rectory, Deopham Road, Morley on 16th June from 12-4pm. There are seven acres of garden, although some of it is pasture, and there is also a working kitchen garden which is used to grow fruit, vegetables and cut flowers for the house. There will also be a variety of stalls; refreshments, plants, cakes, books etc. and our very own team Captains are currently organizing a stall for each of our house teams as they want to be part of the fundraising too. As a special treat for Dad there is a free cup of tea! There will be a stunning flower demonstration every hour, as well as the opportunity to see a honey bee hive in operation.

Our FOMPS are also kindly helping out on the day and the event proceeds will be donated to Morley Primary. So, please do come along and support us, we would love to see our families join us in what will be a super day out.

Admission is £4.50 /adult and children are free. Gates open at 12 noon and we close at 4pm.

School Twitter

The school are trying to grow their Twitter account and hope you can help by following us. We are sharing some of the children's work on there so check us out - you can follow us @MorleyPrimary. Thank you!

KS2 Story time

Please note there will be no KS2 story time on Friday afternoons until after half term

Governing Body

We currently have 2 **vacancies** for governors and would urge those of you who have the time and interest to put yourselves forward for this rewarding work. If you would like more information, please speak to me or our Office Manager - Lindsey. You can also contact Robert or Peter at the following email addresses:

Parent Forum

If you are able to spare the time, I would really love to see as many of you as possible at our next Parent Forum meeting. Babies and toddlers are welcome - our meetings are quite informal but they are a great opportunity to share views, opinions, concerns and innovative ideas for our schools. Leading happy and vibrant schools is a partnership with parents/carers and I have learnt so much from listening to you.

Our next meeting is: **Friday 14th June, 9am to 10am**

Yr6 parent meeting for Isle of Wight Visit

Mrs O'Dell is holding a meeting for those parents who have a child attending the visit to the Isle of Wight on Friday 24th May at 2.45pm in Willow Class. Children going on the trip will also be at the meeting. We hope you are able to make it!
