KEY TEXTS

By the end of the topic I will:

- Be able to name the 5 senses
- Say which part of the body is associated with each sense
- Label and name the parts of my body
- Say what the basic needs for survival are for animals, including humans,
- Say why it is important to exercise and have a healthy diet

How to help

Pop to the library and borrow these books to share together.
Ask your child the key questions.
Cook and prepare fruit and vegetables with your child, maybe try fruit kebabs to encourage healthy eating.
Paint pictures of your family members.
Sing songs like Heads, shoulders, knees and toes together.
Blindfold each other and see if you can guess the smell e.g. mint, coffee, vanilla.
Do the same for touch; fur, leather, metal.
Discuss the topic vocabulary and the meanings of the words with your child.
