

Values For Life Education

Morley CE VA Primary School is a Values School and it is this that determines the thinking and behaviour in school of all pupils and staff. Through a Values-based Education, a positive culture for teaching and learning is created with is based upon valuing ourselves, each other and the environment. Our School Values support the development of the whole child.

The ethos of our school is built on core Values which are addressed directly through lessons, collective worship and across the whole curriculum. Each term we focus on a particular Value where we learn to understand what the Value is and how this was demonstrated through Jesus' teachings and in the stories in The Bible. We explore how we can demonstrate the Value through the way we behave, our attitude towards each other and our learning.
