

20th April 2020

Hello Oak class!

I hope you are all well and have had a lovely Easter break! I have been keeping busy and spending lots of time in my garden with my dogs and doing lots of jobs inside and outside my house. I have also been doing my daily exercise by taking my dogs for long walks around the fields near where I live, which they have really enjoyed!

I know lots of you have been busy doing lots of fun activities over the Easter break and I have loved seeing what you have all been up to, as many of you have been sending me photos. Please keep doing this!

I have put some more activities and tasks on the website and also on Google classroom. There are also some Maths tasks that have been set on MyMaths for those of you that have access to a computer or device. All this week's learning and activities are on the Oak Class Home Learning letter and on Google Classroom.

If you can get set up on Google Classroom that would be great as this will now be our preferred way of setting tasks and activities and communicating with you. Once you have set up Google classroom there is a 'Beginner's Guide to Google Classroom' that will give you all the advice and information you need to get going. This can be found on the Oak Class 'stream'.

Remember to try to read every day. It can be one of your books from school or a book from home. It is so important that you keep reading as much as you can. There will be a Summer Reading Challenge starting soon, so look out for that!

Adults/Carers, if you have any queries or need MyMaths or Times Tables Rockstars logins, please could you email me using the Oak Class email address below. I will be checking this daily and will respond as quickly as I can.

My contact email is below:

oak@morley.norfolk.sch.uk

Stay safe and I look forward to hearing from you soon!

Mr Watson
