**Our Value for Life this term is Forgiveness**

April 22<sup>nd</sup> 2022

Dear parents and carers

**Welcome back for the Summer Term**

I hope you all had a lovely Easter and were able to make the most of the good weather!

We've had a great first few days back at school. The sun has been shining and the children seem happy, healthy and ready for what the summer term will be bringing their way.

We have our residential trips taking place this term, with Year 4 children visiting Horstead and Willow children going off for a week to the Isle of Wight. Year 1 & 2 children will be paying a visit to the Synagogue in Norwich as part of their RE Judaism topic work and other classes will be organising trips as we move into the term.

We will have class assemblies and music assemblies, to which parents will be invited. Our Y6 children, with support from Y5, will be putting on a special performance for their parents at the end of this term and we will also be inviting Y6 parents to join us on the last day of term for a Leavers' Assembly.

We will be paying special attention to transition activities for our Y6 pupils as they get ready to move up to high school but firstly, we will be focusing on preparing them for the SATs which take place in May.

Other year groups also have important tests during this term: Y1 have the Phonics Check in June, Y2 have Reading and Maths SATS throughout May and Y4 children will be taking the Multiplication Check in June. We make sure that our children are well prepared for these tests and go out of our way to ensure that the tests are administered in the least stressful way possible. Our younger pupils are usually unaware that they are taking a test.

Our value for life this term is 'Peace' and we will be exploring this value during collective worship and throughout the curriculum. Please help us by discussing the meaning of peace with your children at home.

### **COVID Guidance:**

From 1<sup>st</sup> April, the government have advised that we are no longer operating in a public health emergency and can start to deal with Coronavirus in the same way as other respiratory viruses. If your child is ill with flu-like symptoms and a high temperature they should remain at home for a minimum of three days.

We will continue to ask the children to sanitise their hands at transition points and will ensure that rooms are well ventilated. We will also continue additional cleaning during the school day.

### **Curriculum:**

Summer Term curriculum letters, time tables and knowledge organisers will be uploaded to the classroom page on the school website this week. Please look out for these.

Annual school reports will be sent out in the final week of this term.

### **Conversion to Academy:**

Our conversion to academy status will take place on 1<sup>st</sup> June 2022. Look out for the new signage outside of school! Other than this, it will be business as usual for us - with the added benefits of working with a delightful family of schools in the St Benet's Academy Trust.

We hope all of our families stay well during the course of this term. We will continue to share any information that may be helpful to you over the coming weeks.

### **Staffing**

We are sad to say goodbye Natalie Sim who has been a valuable member of our lunchtime team for the last few years (although we'll still see you around school as a parent of course!) Thank you for all your hard work Natalie.

I am delighted to welcome some new members to the Morley Team – Laura Hanegraaf is providing support in Pine Class whilst Michelle Anderson and Annie Smith have joined the lunchtime team.

### **Library Summer Reading Challenge**

Here is a link to the Summer Reading Challenge which has a Science theme this year.

<https://summerreadingchallenge.org.uk/news/general/gadgeteers-intro>

### **Healthy Breaktime Snack**

Please may I remind parents that your child should only be bringing fruit to eat at breaktime – no chocolate or biscuit snacks please!

### **School Traffic – a good news story!**

We often mention unsafe driving and parking in the newsletter but I'm very happy to share this message from a parent:

*Ella and Josie rode their bikes to school for the first time this morning from Morley St Peters and I just wanted to say that all school traffic were so patient and considerate on St Peters Hill in allowing space to pass and pull into the school car park on Deopham Road. It has given the girls great confidence and allowed their first ride go extremely well!*

### **Music assembly**

We will be holding our next music assembly on Wednesday 27<sup>th</sup> April at 9am to give an opportunity for children who are learning to play a musical instrument, to perform in front

of others and share what they have been learning. Parents are warmly welcome to attend the assembly.

### Residential trip payments

Payment for the residential visits to the Isle of Wight and Horstead this year can be paid in instalments on SchoolMoney at any time to suit you and your budget. In particular, this might be an easier option for the Isle of Wight trip rather than having to pay the full amount all at once. Full payment for the Isle of Wight trip is due by May 8<sup>th</sup> 2022.

Friends of Morley Primary School (FOMPS) are a group of parents and staff working together to fundraise much needed money to support extra resources for our students. Our next events are:

**FOMPS Stall - Morley Beer Festival & Family Fun Day - 25/06/22**

**Summer Fair - 16/07/22**

Further details to follow

### Out of school achievements:

Congratulations to Martha in Rowan who competed in the county gymnastics competition at Easton in the holidays. She passed her grade 6, came 3<sup>rd</sup> in the beam and earned a rosette for coming 6th place overall. Well done Martha!
