Dear Parents/Carers,

Message from Mr Carlyle

It's incredible to think that we have one more week until half term. I'm not quite sure where this time has gone but as a school community we continue to be grateful for all of your support. In keeping with the term as a whole, there have been some fabulous learning moments this week in all areas of the school. Certainly one of the most eye-catching was Willow Class's STEM (Science Technology Engineering & Maths) day on Wednesday. I'd never previously seen a firework-propelled rocket carrying a poppadom – but I have now! The children had an amazing day and a huge thank you needs to go to Mr Botting for providing the guidance, expertise and pyrotechnics and to all of the families who were able to supply the construction materials to allow the children to build their rockets.

It will come as no surprise to many of you when I say that the traffic outside of school this week has been a bit of a challenge, to say the least. Fundamentally there is no straightforward answer to lots of cars, a narrow road and many families all trying to arrive at school at the same time. Obviously I would ask people to exercise patience and consideration for others at this time of the day and to perhaps allow a little more time to ensure drop-off in particular is as calm and organised as possible.

I'm very much looking forward to the FOMPS summer fayre on 10th June. This is such an important fundraising opportunity for the school and I really hope that you will be able to support it. Obviously if you are able to help with the event then please speak to a member of the FOMPS team – I am sure they would love to hear from you!

Best wishes and have a lovely weekend.

Bee Netball event

On Thursday, Mrs Thacker and Ms Whitaker travelled to the UEA Sportspark with a squad of nine children from Willow Class to take part in a Bee netball competition against 9 other teams. The Morley squad played with real determination and secured third place overall which is a great achievement. They also showed great sportsmanship throughout the event, representing Morley Academy admirably! Well done to Pippa, Charlie, Max. Callum, Bella, Emilia, Eden, Milena and Emma.

Random Act of Kindness and Football Fest event 24/05/23

A huge thank you to Year 6 parents for your support with the children's charity ideas. Children can bring things in as soon as they are ready to. The children will set up their stalls early Wednesday afternoon in preparation for the sale at 2pm. Parents do not need to run the stall with your child.

To all parents and carers – please come and support us from 2pm. The children will be running a large number of different stalls supporting a range of charities of their choice. These include a raffle with amazing prizes, netball shooting games, face painting, guess the number of dog treats, and some tasty sales of cakes, cookies, Zac's sweet shop and Harley's insanely icy ice creams! All stalls will be charging 50p - £1.00

If you are unable to make the sale, your child will still be able to participate. Please send cash to the school office in a named sealed envelope.

A lot of children want to take part in the Football Fest challenges which are taking place during the morning. Max and the other sports captains will be organising some football themed games and competitions. We are asking for £1 donation to take part. The money raised from this money will go to a local football charity.

Horstead Residential Trip 2023

Miss Grant will be holding a meeting about the upcoming Horstead Residential trip, for all parents and pupils, in Sycamore Classroom on Thursday 25th May at 3:15pm until approximately 4:00pm. This is an opportunity to learn more about the trip, collect a kit list and medical form and ask any questions. If you are unable to attend the meeting, please do get in touch if you have any questions and we will ensure that the paperwork is forwarded on to you.

Exciting Opportunity in September.

Has your child ever fancied themselves as a drummer or guitarist? Would they like the opportunity to have lessons, either in a group or as an individual?

I have been fortunate to source a drum and guitar teacher who has spaces available starting in September.

If you would be interested in your child learning one of these instruments, could you please email the school by next Friday (May 26th) in order for me to secure this opportunity.

There will be a cost involved with the lessons, which is around £14 for a 25 minute 1:1 lesson and £7.50 per child for a group of 2.

If you would like further information, please let the office know and I will forward your details on to Mr Thornley.

Chopsticks

If anybody has any spare pairs of chopsticks that they no longer need, Miss Grant and the School Choir would be very grateful for them for a recycled material drumming project.

Kitchen roll request

If you have any kitchen roll tubes, Sycamore class would be delighted to take them off your hands for an up-coming project. Drop them in to the school office and we'll pass them on. Thank you.

FOMPS News

Hi everyone! Thank you all for your continued support for the events we have had so far, we are busy preparing for another wonderful summer fayre on the 10th June and we need your help! We are looking for volunteers to help with setting up, packing away, half an hour slots on some stalls etc. Please speak to the office or catch a FOMPS member in the playground any time.

Also, we are having a teddy bear tombola at our summer fayre and also on our stall at the Morley Beer Festival this year so we are asking for kind donations of cuddly toys! Big or small, clean and in good condition would be great. Thank you all once again,

Nicola Burman
Chair of FOMPS

Out of school achievements:

Congratulations to Edward and Sebastian in Rowan who both achieved their blue belts in Taekwondo last Sunday and Eva in Oak who had her first grading and was awarded her red belt. Well done!

Medals were awarded to Willow and Eden in Willow class and Nancy in Sycamore class for participating in the 5km Race for Life. What a wonderful achievement on behalf of such an important charity. We are very proud of your efforts.
