Dear Parents/Carers,

Message from Mr Carlyle

As this is the final newsletter of the academic year, I wanted to begin by saying what a privilege it has been to help lead the school since Easter. Morley is a special place, made so by the community that breathes life into it each and every day: the children, the staff, the families and the wider community. I very much look forward to being part of it again next term.

The last week of term is always a time to look backwards and forwards. We are of course saying goodbye to special people. Mrs Cox is leaving us this week and I would like to thank her sincerely for all of her hard work and commitment to our school. She has been a highly valued member of staff and we wish her all the best in her retirement.

This is of course a time also where we say goodbye to a number of children. Our year 6 pupils are prepared and ready to go on to the next step of their education pathway. They have all of the attributes they need to be successful, both as learners and also as young people ready to contribute to the world. I hope that they look back on their time at Morley with fondness and that they know how highly they are regarded by all of us.

We also have other children leaving us today and I would like to wish them every success in the future. They will always be a part of the Morley community and each of them has left an indelible print on our school. Wherever they are going, we wish them the very best of luck.

Thank you for all of your help and support over the course of this year. We cannot do what we do without your help, enthusiasm and commitment to our school.

On behalf of the staff and governors, I would like to wish you all a happy and safe summer break and we look forward to seeing you again on Wednesday 6th September 2023.

Best wishes

Mark Carlyle

Charlie and the Chocolate Factory themed summer school

Abbotts Dance Academy in Wymondham are hosting a "Charlie and the Chocolate Factory" themed summer school.

A fun filled week of dance and performing arts, for children who love to sing, dance, act and.....eat chocolate!

Children will have fun learning different styles of dance to help tell the story of "Charlie and the Chocolate Factory". Some spoken dialogue, singing and acting will also be taught with a performance for parents at the end of the week. Performing is optional as we appreciate not all children like to perform. Make and create will also be a feature within the week relevant to the theme.

For full details and how to book your child's place, simply visit our link below,
